## MEMORANDUM

**DATE:** April 25, 2016

**TO:** Primary Care Physicians, Specialists and Ancillary Providers

**FROM:** Cathy Gies, V.P., Strategic Operations

**SUBJECT:** Fraud, Waste and Abuse Training for **2016**

Coast Healthcare Management Compliance Committee is tasked with annual Fraud, Waste and Abuse training (FWA) for all contracted IPAs, providers, staff (sponsors and first-tier, downstream and related entities). This request is for the **2016** requirement and anything submitted in 2015 can't be applied to this year.

This memo provides guidance for how your organization can satisfy the requirements related to "Reducing the Burden of the Compliance Program Training Requirements" for sponsors and first-tier, downstream and related entities (FDRs). See also (§§ 422.503(b)(4)(vi)(C)(3) and 423.504(b)(4)(vi)(C)(4)).

CMS has developed a web-based compliance training to ensure the requirement is met and to reduce the largely duplicative training required of FDRs by the multiple organizations with whom they contract.

Please complete the CMS approved training found on our website at [www.Coasthealthcare.net](http://www.Coasthealthcare.net) on the home page. Once the training has been fulfilled, please fax a copy of the certificate to Coast Healthcare at **562-602-6274**.

If you have already completed the **2016** Fraud, Waste and Abuse training, please fax a copy of the certificate to Coast Healthcare at **562-602-6274**.

**Please note:** Training and certificates must be returned no later than **July 1, 2016**. This is now an annual mandatory training for each employee and physician which we are required to report to the health plans.

Please contact Pamela Dorsey, Compliance Manager if you have any questions at 562-602-1563 ext. 260
